

Dear Parents,

Welcome to 2026!

This year, we invite every parent to be part of the journey—to lend a hand, share your strengths, and help bring the school's **Power Up!** spirit to life. Together, we can create enriching experiences and lasting memories for our children.

## Previous Term Highlights!

### Diwali

November 5

PSG members brought extra cheer to the school's Diwali celebration by actively supporting craft making and sharing delicious treats with the students. One highlight of the day was the much-loved murukku-making activity, which delighted many! Through their enthusiastic involvement, the children were able to have a joyous, enriching and memorable experience.

### PSG Appreciation Party

November 19

The PSG Members' Appreciation Party was a heartwarming celebration of the dedication and "can do" spirit of our volunteers. We expressed gratitude, shared reflections, and honored the collective efforts that have contributed so much to our school community. The day also marked a heartfelt farewell to our valued PSG Teachers-In-Charge, **Mr Caleb Tan** and **Ms Pearlie Lim**. Their unwavering support, sincerity, and positive impact have left a lasting imprint on our community and will be fondly remembered.

# Previous Term Highlights!

## P1 Orientation

November 20

PSG members warmly welcomed our new P1 students and their parents to NTPS, offering smiles, encouragement, and helpful information. Our team engaged and connected with the parents while they were purchasing school uniforms for their children and helped put them at ease as they began this exciting new chapter.

## Extended Recess

November 20

Extended Recess is always a highlight for our students—extra time to play and connect with their friends while trying out the games. With thoughtfully prepared games and board activities, the school created an exciting day beyond the classroom for the students. Our members played a vital role in creating a fun atmosphere when we supported and facilitated the day's activities. The activity venues were filled with lots of laughter and these happy moments will stay in the students'/ memory for a long time!

Looking forward, we expect many more opportunities to contribute, bond and impact positively. We call upon every parent to step up, get involved and volunteer. Your passion, expertise and care will help to shape and create a thriving and vibrant school life for the students!

Together, let's **Power Up in 2026** with **purpose, teamwork, and heart**, and make it an unforgettable year of growth and joy for our children!

# Volunteer Spotlight!

Special  
Feature

Meet the heart and voice *leading our PSG into 2026*—her journey and encouragement for the year ahead.

## POWERING UP TOGETHER AS PARENTS

When my daughter started Primary 1, I joined PSG with a simple hope—to be a little more involved in her school life. I didn't anticipate then how quickly those "small moments" would turn into memories I now treasure.

Through PSG, I've seen how parents coming together can brighten a child's school day, support teachers, and create experiences that our students will share excitedly at home. Today, as Chairperson, **I truly see PSG as a big family**—one that laughs, helps, and grows together. I also want to take a moment to **thank** all our **parent volunteers**. *Your time, energy, and dedication make a real difference to our school community every day.*

## MAKE THE MOST OF YOUR CHILD'S SCHOOL YEARS

- **Be present** in your child's school journey. They notice more than we think!
- **Volunteer** in small, meaningful ways—come when it fits your schedule.
- **Meet fellow parents** who quickly become friends.
- **Create memories** together before these precious primary school years fly by.

## To our P1 parents: The years go by in the blink of an eye!

PSG lets you be part of these precious years—not just for your child, but for the whole school community.

**Yakita Seth**  
PSG Chairperson
